ALMADEX MINERALS ANNOUNCES CLOSING OF \$5.6 MILLION NON-BROKERED PRIVATE PLACEMENT

Vancouver, B.C. Almadex Minerals Limited (“Almadex” or the “Company”; TSX-V: AMZ; OTCQB: AXDDF) is pleased to announce that it has closed its previously announced non-brokered private placement with the issuance of 4,000,000 units (“Units”) at \$1.40 per Unit. Each Unit consists of one common share of the Company and one-half of one non-transferable common share purchase warrant (each such whole share purchase warrant, a “Warrant”). Each Warrant allows the holder to purchase one common share of the Company at a price of \$2.00 per share until March 27, 2020. Fees consisting of \$255,555.20 in cash were paid to arms-length finders or advisors on a portion of the placement. All securities issued in connection with the private placement are subject to a hold period in Canada which expires on July 28, 2018.

Almadex intends to use the proceeds of the private placement to continue drilling targets at its 100% owned El Cobre gold/copper porphyry project in Veracruz, Mexico, and for general working capital purposes.

About Almadex

Almadex Minerals Limited is an exploration company that holds a large mineral portfolio consisting of projects and NSR royalties in Canada, the U.S. and Mexico. This portfolio is the direct result of over 35 years of prospecting and deal-making by Almadex and, prior to its spinout, by Almaden Minerals Ltd. Almadex is currently focused on exploration at its El Cobre gold/copper porphyry project in Veracruz, Mexico, in which it holds a 100% interest, subject to a sliding-scale net smelter returns royalty (“NSR”) equivalent to 0.5% in the event that production from the property exceeds 10,001 tonnes per day of ore. This NSR can be reduced to 0.25% at this production rate through the payment of US\$3 million.

Forward-Looking Information

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address exploration drilling and other activities and events or developments that Almadex Minerals Limited ("Almadex") expects to occur, are forward-looking statements. Forward-looking statements in this news release include statements regarding the use of proceeds from the private placement and future exploration plans and expenditures. Although Almadex believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those forward-looking statements. Factors that could cause actual results to differ materially from those in forward looking statements include market prices, exploration successes, and continued availability of capital and financing and general economic, market or business conditions. These statements are based on a number of assumptions including, among other things, assumptions regarding general business and economic conditions, the timing and receipt of regulatory and governmental approvals, the ability of Almadex and other parties to satisfy stock exchange and other regulatory requirements in a timely manner, the availability of financing for Almadex's proposed transactions and programs on reasonable terms, and the ability of third party service providers to deliver services in a timely manner. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Almadex does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable law.
